

Commercial Cleaning Solutions

TRUCK WASH

5 gal / 55 gal

SUPREME-X

Our best vehicle cleaner. Strong enough for equipment cleaning, yet mild enough for fine painted surfaces. Contains no phosphates or caustics. Water soluble and biodegradable. Used as directed, Supreme-X cleans without brushing and leaves a sparkling, wax-like shine on vehicles.

\$89 / \$425

CARNUBA ULTRA WASH

Looking for the finest vehicle wash product available? Look no further! Our Carnuba Ultra Wash is made using the highest quality components, and contains carnuba wax to give you that extra shine. Use Carnuba Ultra Wash on any vehicle safely, including cars, trucks, fleets, heavy equipment and more. Safe on polished aluminum, glass, chrome, and all other surfaces.

\$99 / \$489

TOTAL FLEET WASH

Total Fleet Wash is the highest yielding truck wash for the money. It effectively removes road film, light grease, oil, and rinses clean. Keep your fleet looking sharp every day.

SPECIALTY WASH

5 gal / 55 gal

SIMONIZ DESALT

A special blended detergent designed to directly neutralize the activity of these new road de-icing treatments right down to the pores of metals, painted and other hard surfaces, in addition giving you the cleanest, shiniest and driest cars. This unique formula dissolves road salts into a solution and uses a 'lift and suspend' action to remove the contaminants from the vehicle surface! Desalt can help to prevent rust and alter the adverse effects to vehicle surfaces. *Also offered in 30 gallon size \$450*

\$94 / \$695

PASS 1

A low pH liquid presoak formulated for use as a first step in a two-step touch-free wash process. It should be followed with an alkaline presoak application to complete the two step cleaning process. Pass 1 has a pleasant cherry scent and works well when used in conjunction with Pass 2. Can be used with a Chem-X machine, a downstream injector or a foamer.

Not recommended for use on polished aluminum surfaces. Please call for polished safe options.

\$79 / \$589

PASS 2

A high pH liquid presoak formulated as single step alkaline and also as a second step presoak utilized in a two-step cleaning process. Pass 2 is a versatile detergent with excellent cleaning capabilities. It can be used as an economical wheel cleaner. Where To Use: In-Bay Automatic, Conveyorized Tunnel and Tire Applicator. Not recommended for use on polished aluminum surfaces. Please call for polished safe options.

\$79 / \$589

BIO-C

An all natural degreaser powered with all natural citrus surfactants. Use for degreasing engines, transmissions & other parts. Spot treat heavy grease and oil. Works exceedingly well to remove **asphalt** and **tar** on paving equipment and even graffiti and adhesives. Use BIO-C undiluted directly on the surface and be prepared to be amazed. Care should be taken when using this product on rubber, plastic & vinyl surfaces. Do a test spot before proceeding.

**pricing subject to change without notice due to the fluctuation of citrus pricing*

DEGREASER

5 gal / 55 gal

HD-MEL

Our most alkaline product. HD-Mel contains potassium hydroxide for **ferocious** grease and grime ripping power. No fumes or soft metal discoloration problems. Widely used for food service **hood and duct cleaning**. Quickly removes smoke from diesel engines, and even removes soot accumulation from fire scenes. HD-Mel is an excellent choice for equipment pre-paint preparation. *This product is not intended to be used for vehicle washing. Care must be taken to avoid applying or over spraying finely painted surface.*

\$99 / \$539

TYPHOON

Real grease cutting power, **without requiring a corrosive label** for serious heavy equipment cleaning. Water soluble, biodegradable, safe, when used as directed, on painted surfaces. An environmentally friendly phosphate and butyl free product. Try Typhoon in place of the "caustic" degreaser you're using now. *5 gals. can be shipped via U.P.S. without added hazardous shipping charges*

\$94 / \$499

TORNADO

A moderately caustic, non-butyl cleaner, widely used for construction equipment cleaning. Tornado quickly dissolves heavy grease, diesel smoke, and grime. Tornado is also an excellent choice for concrete floors, food-processing equipment, suitable for cleaning livestock housing areas, or other general farm cleaning.

\$94 / \$499

SIMONIZ 969

A cleaner that is specifically designed to efficiently clean floors in machine shops, garages, food processing plants, bottling plants, dairies, warehouses, and meat processing plants. SIMONIZ 969 CLEANER is a highly concentrated, heavy-duty liquid cleaner that contains powerful ingredients to quickly remove grease, oil and grime.

\$99 / \$589

ALUMINUM

5 gal / 55 gal

POLISHED ALUMINUM CLEANER

A mildly acidic formula, designed to clean and restore the shine to polished aluminum wheels, tanks, trailers, and all finished aluminum surfaces. Simply apply with a low-pressure applicator, and rinse with high-pressure water. Polished Aluminum Cleaner restores that "just polished" **shine without buffing**. Safe to use, as directed, on all aluminum surfaces. Contains no hydrofluoric acid, and will not whiten, etch, or remove the existing polished finish. Outperforms similar products and affordable!

\$149 / —

ALUM BRITE

A concentrated brightener and cleaner for unpainted aluminum surfaces. Alum Brite is a blend of organic acids and wetting agents formulated to remove corrosion, diesel smoke and atmospheric stains. Safe on lettering and paint. ***This product will etch glass!*** Care should be taken not to over spray windshields or other glass surfaces. ***Do not use on anodized aluminum!***

\$94 / \$579

NATC - NON-ACID TRAILER CLEANER

New name, same performance. A powerful high-alkaline product designed to clean old aluminum wheels, tanks, or bodies. Nice 'N White cuts through heavy grease and oil and leaves a clean matte finish behind. Not to be used on fine painted surfaces. Not recommended for use on polished aluminum surfaces.

— / \$779

HOUSE & ROOF

5 gal / 55 gal

ECOROOF

Ecowash Roof & House Wash is a high foaming wash that is environmentally safe & biodegradable. This eco-friendly cleaner is powerful yet gentle and highly effective delivering transformative results, making it the go-to choice for homeowners and professionals alike.

\$112 / \$955

ECOSPLASH

Ecowash Splash is a chlorine neutralizer and rinse additive used following ECOROOF. This is an all-in-one neutralizer and protectant.
